Dear Professor Stallard

Date : 01/10/2015

NHSScotland is a non-profit organization within the United Kingdom which consists of 14 regional boards, seven special NHS boards and one public health body.

Regional NHS Boards are responsible for the protection and the improvement of their population's health and for the delivery of frontline healthcare services. Special NHS Boards support the regional NHS Boards by providing a range of important specialist and national services.

All NHS Boards work together for the benefit of the people of Scotland. To find out more about NHS Scotland please visit: <http://www.scotland.gov.uk/Topics/Health/About/NHS-Scotland>
